PRODUCT DESCRIPTION

B

The "B" terrazzo tiles series made of marble chips represent the classic flooring of the '40s - '50s. Also used in the following decades, today they have been rediscovered and are particularly sought after for their classic aspect that makes them ideal to pave old buildings in historic towns , today particularly cared for in their renovation.

They fit well in modern houses but are ideal also with classic and antique style. They can be used for both offices , private houses and shops.

The material is supplied honed and after laying on site it should be honed again , expertly filled such as marble. Wax maintenance is recommended.
