

HAVANA CHIPS TILE (CODE 25)

SKU: N/A

| **Categories:** [Indoor Terrazzo Tiles](#), [Chips Tile \(20x20\)](#) |

PRODUCT DESCRIPTION

Pastina And Chips Tile (cm. 20x20)

The solid color tiles cm. 20x20 are the most classic ones you can find in our range of indoor products. Made with marble microchips and with marble pastina are the solution adopted for interioris in the 1920s and nowadays widely reconsidered for the renovation of historic palaces and villas.

It consists of double or mono layer ranging from a thickness of cm 2 to only cm 1,2.
