PRODUCT DESCRIPTION

ZETA

ZETA is a high wear resistance terrazzo tile widely used for heavy traffic floors.

For the particularly pleasant aesthetic effect it is also used as boutiques, shops, offices, cinemas, malls, schools, hospitals and restaurants flooring.

Produced in a wide range of colours, it is the best choice to realize custom-made motifs and designs.

The upper surface is made of precious marble microchips (approximately 1/3 mm).

The material is supplied honed to be polish after installation and then filled and polished again , same way as marble .
