

WHITE CARRARA

SKU: N/A

Coming from the Apuan Alps, it is the highest expression of Italian marble in the world and has always been used by the most famous sculptors to give shapes to their works.

White Carrara marble is usually distinguished in various types based on the color of the background (from candid white to gray) and the typical gray veins (more or less present).

The most well-known types are:

- Carrara White C
- Carrara White CD
 - White Joy
 - Statuary
