PRODUCT DESCRIPTION

Porfirius (TOP/DOP)

The PORFIRIUS Mattoli series is a unique outdoor flooring for elegance and resistance, ideal for squares, sidewalks, historic town centers, public and private gardens. The surface, in real porphyry or marble chips, is honed and shaped into small ashlar which repeat and enhance the color and design of the porphyry cubes.

PORFIRIUS is produced in two models:

- TOP with "fan-shaped" ashlar ;
- DOP with "chessboard-shaped" ashlar
